MERCHANT MARINE COMMUNICATIONS

The Directorate General of Merchant Marine introduced a new system of Circulars and Marine Notices publications to facilitate the search as well as to inform any matter to be addressed to the shipping community:

- **Merchant Marine Circulars** – Publications used to communicate the criteria, instructions, orders and notices of the Directorate General of Merchant Marine or any other Panama Maritime Directorates, including the technical and operational requirements under the Panamanian flag, legal interpretation and international standards provisions.
- **Marine Notices** – Notices used to communicate useful information to the shipping industry. These Notices are for information purposes only.

Ship-owners, operators, agents and masters of merchant vessels, should ensure that Merchant Marine Circulars are kept on board all Panamanian flagged vessels and the content of each is properly known by all persons concerned.

A consolidated version of the Merchant Shipping Circulars can be downloaded from this new system and you are now able to see it by categories. Subsequently, these would be available to verify by circular number and subject.
