To: **Ship-owners/Operators, Company Security Officers, Legal Representatives of Panamanian Flagged Vessels, Panamanian Merchant Marine Consulates and Recognized Organizations (ROs).**

Subject: **Applications for Radiocommunication Station License in the Maritime Mobile Service and Form.**

Reference: **MMC 169.**

1. The purpose of this circular is to provide you with information related to the Application for Radiocommunication Station License in the Maritime Mobile Service.
2. At the same time as the presentation of ship registration to the Panamanian Consular officials, the interested party shall apply for Radiocommunications station license by completing the form provided by the Directorate General of Merchant Marine. The Consul will then issue a radio permit which is valid for six (6) months. The radio permit can be renewed by prior authorization granted by the Directorate General of Merchant Marine.
3. The interested party may also request application directly to the Directorate General of Consular and Maritime Affairs. The provisional radio license can be renewed automatically every three months provided the vessel is up-to-date in her payments, until the statutory license has been obtained. The radio communications station license application must be completed by a technician in radio matters or by the radio operator of the vessel.
4. The duration of the statutory Radiocommunication station license for vessels registered in the National Merchant Marine is valid for five (5) years, except for vessels with special navigation "Patente" (chartered vessels) whose Radiocommunication's license will expire upon termination of the charter contract.
5. Application for statutory Radiocommunication station license shall be presented directly to the Directorate General of Consular and Maritime Affairs before the expiration date of the provisional radio license or the radio permit. When the radio license has expired or has been modified, the original must be returned to the Directorate General of Consular and Maritime Affairs.
